

WESTERN CANADIAN REINING ASSOCIATION

January 19, 2011

Happy New Year! I hope you are all doing well and spending lots of time in the saddle.

Now that the New Year is here, it means that the 2011 show season is fast approaching! Show organizers and chapter show committees are well underway planning and organizing their shows for this year. I have no doubts that 2011 is going to be a great show season for WCRA, with 4 highpoint shows throughout Vancouver Island, Thompson-Okanagan, and the Fraser Valley that you will not want to miss!

Our first show of the year is Rockslide – May 6-8 at Saanich Fair Grounds, then Riverslide – June 3-5 at Brandt Ranch in Pritchard, followed by West Coast Classic July 14-17 at Chilliwack Heritage Park, with our final show of the year, Slide out West – September 9-11 also at Chilliwack Heritage Park.

Perhaps the most anticipated show of the summer is WCRA's trademark show *West Coast Classic*, an elite Reining show held every July at the Chilliwack Heritage Park in Chilliwack, BC. This is one show you never want to miss, and this year is no different so mark your calendars for July 14-17, 2011! See you all there!
