Re: Riverside

Unfortunately due to the current situation in the horse industry with the EVH1 virus, Riverside has been cancelled. This is very disappointing to the host chapter, Thompson River Reiners, and to all WCRA members and show competitors; however it was the best decision for the show. Riverside will be back again in 2012 with some new changes you are all sure to like.

The WCRA executive committee is working towards having a third qualifying show for the WCRA/NRHA affiliate series and will have more information soon. As soon as we get more information, details will be posted online on the WCRA website and sent out by email to WCRA members – stay tuned for these updates!

If you have any questions please do not hesitate to contact the wcrs executive committee at wcrareining@gmail.com.

Thank you for your understanding.

Kim Stordahl
WCRA President
